APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic feet per second.

Actual construction work shall begin on or before March 1, 1940

Proof of commencement of work shall be filed before April 1, 1940

Work must be prosecuted with reasonable diligence and be completed on or before March 1, 1942

Proof of completion of work shall be filed before April 1, 1942

Application of water to beneficial use shall be made on or before March 1, 1943. Proof of the application of water to beneficial use must be filed with State Engineer on or before April 1, 1943

WITNESS MY HAND AND SEAL this 11th day

of September, 1939

Map Filed Feb 9, 1939
Proof of commencement of work filed APR 17 1940
Proof of completion filed MAR 25 1942

Cancelled FEB 4 1957 because of failure of application to comply with provisions of permit
